PERMANENT MISSION OF THE
REPUBLIC OF TAJIKISTAN
TO THE OSCE

Statement
by the Information Department of the Ministry of Foreign Affairs
of the Republic of Tajikistan
(June 1, 2010)

The Ministry of Foreign Affairs of the Republic of Tajikistan condemns Israeli naval forces raid to Freedom Flotilla Aid convoy which has been happened in international waters early 31 May 2010.

This attack against humanitarian aid-carrying ships aiming to break the country's siege on Gaza Strip took place in violation of international law, and it certainly cannot leave the World community tepid.

The Ministry of Foreign Affairs while stressing its concern, expresses hope that this act resulting in dozens of civilian deaths and injuries will be thoroughly assessed and precisely investigated by the UN Security Council and the World community.
